## C.P. Yeatman & Sons, Inc. Farm Tour Rules and Guidelines

At C.P. Yeatman & Sons, Inc. we feel very strongly about providing a safe and quality food to our customers and consumers. Due to that, we have many food safety policies in place to help protect our product. We thank you in advance for complying with the following policies.

1. All visitors must park in front of the office and report to the office to sign in before entering farm grounds.
2. Visitors must be dressed according to our food safety policy to be permitted to continue on the tour.
  - a. Cut-off shirts/tank tops are not permitted.
  - b. Must have long pants.
  - c. Must have enclosed toed and heeled shoes.
  - d. Rhinestones, glitter, sequins, etc. are not permitted.
3. Visitors must remove all jewelry. Medical jewelry and plain wedding bands are allowed.
4. A hair net will be provided to all visitors upon arrival and must be worn in all production areas while on the tour.
5. No food or drink is permitted on the tour. Water in original water bottles are allowed to stay hydrated, but all trash must be placed in designated trash cans located around the farm.
6. Visitor's passes will be provided to all visitors and must be visible at all times while on the tour.
7. All visitors must remain with their tour guide at all times while on the tour.

Providing a conventional line of unconventionally *good mushrooms.*
